ABOUT THE COMPANY

More than one and half decades of experience and the vision towards creating a niche in India's fastest growing CNC Manufacturing Company, Macpower CNC Machines has been transforming to meet up to the potential demand in domestic markets as well as through import substitution. This growth is a result of Macpower's vision of par excellence to manufacture state of the art products and adopting the best in technology.

In 2003, Macpower Group started Macpower CNC Machines Private Limited with a CNC Machines manufacturing unit in an area of around 4 acres. Today Macpower has has 2 units in operation situated at Metoda G. I. D.C., Rajkot (India).

In 2017, the company was converted into a public company and in 2018; Macpower listed on the National Stock Exchange of India, SME Emerge platform while in August, 2020 the company migrated to the NSE Main board.

Macpower is ISO 9001(Design) certified, a universally accepted quality assurance designation.

The modern headquarters contain a spacious State of the Art Machine Shop, totally equipped Assembly Shops, all Modern Measuring and Testing Equipment's, Technologically Advanced Sheet Metal Unit and one of its kind Powder Coating Plant. This makes Macpower

Macpower is currently offering widest range of 9 different product categories namely Turning Center, Twin Spindle Turning Center, VMC, Twin Spindle VMC, TurnMill Center, HMC, VTL, DTC, Grinder with 60+ different models serving 27 industry segment worldwide with 9269+ installations. We have our Sales & Service Team presence in 39 cities across the country with 128 qualified engineers and 9 business associates; establishment of multiple regional offices and technology centers across the country to have better connect with our valued customers.

To cater to various industrial segments and achieve deeper customer penetration, Macpower is putting in all efforts to expand it's current sales and service network as well use digital tools to address the target audience in an effective way.

OUR VISION

- To provide best solutions in the machine tool industry.

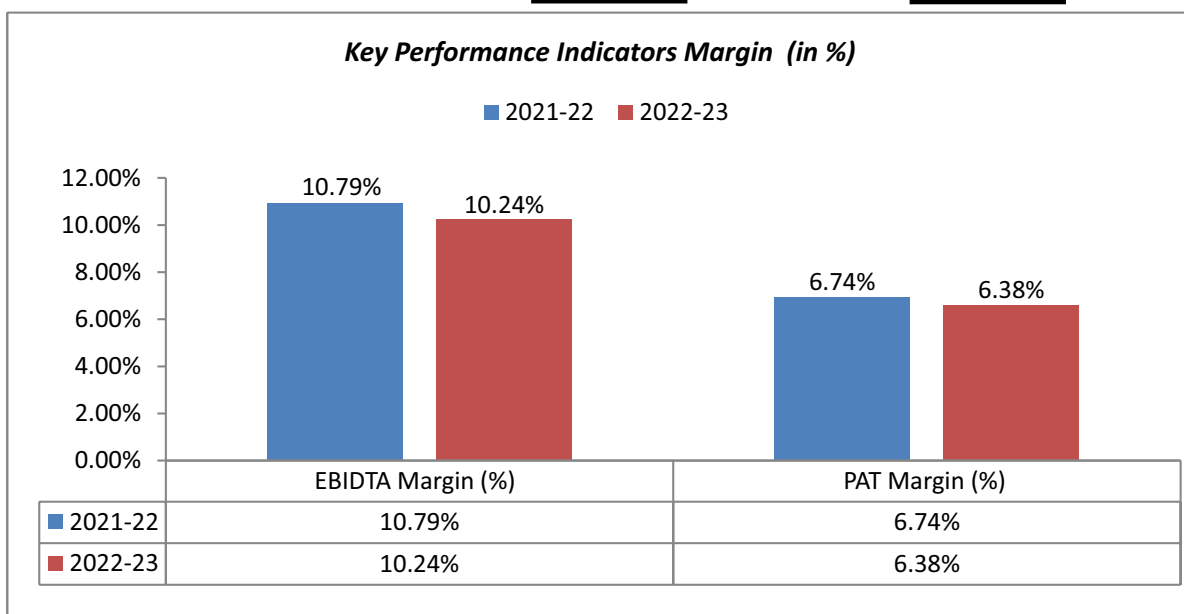

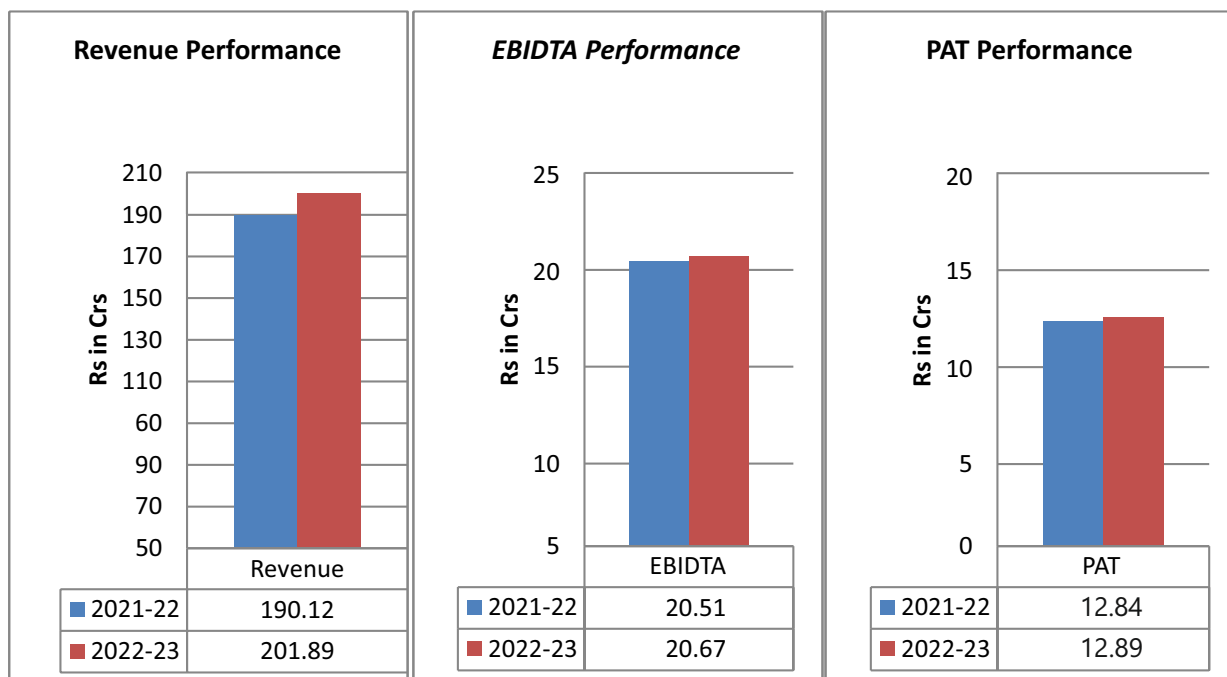

OUR MISSION

- Fostering a spirit of continuous learning and innovation.
- To offer world class products through continuous innovation.
- To reach new sectors of industry in particular and society at large by offering products which make changes in the present state of machine tools.
- To nurture best brains in the company to develop them into future leaders, to enhance the company's growth prospects to greater levels.
- To provide a quick and effective service base to enhance customer satisfaction index.

OUR CORE PRINCIPLES

- Always serve with honesty, integrity and transparency
- Always, first understand business needs and objectives
- Always think innovatively, deliver effectively!
- Always maintain client confidentiality, at all levels
- Always be accessible and responsive
- Always aim to bring better cost and operational efficiencies to our clients.
- Always meet the deadlines!

Key Performance Indicators (in Crs)

DRIVEN BY VALUES

Values are the guiding principles that we use across our verticals to underpin decision-making, guide our conduct and define our culture. By working together with these values every day, we build a more successful and sustainable business.

Integrity

We will be fair, honest, transparent and ethical in our conduct; everything we do must stand the test of public scrutiny

Unity

We will invest in our people and partners, enable continuous learning, and build caring and collaborative relationships based on trust and mutual respect.

Pioneering

We will be bold and agile, courageously take on challenges, using deep customer insights to develop innovative solutions.

Excellence

We will be passionate about achieving the highest standards of quality, always promoting meritocracy

Responsibility

We will integrate environmental and social principles in our businesses, ensuring that what comes from the people goes back to the people many times over.

CULTURAL PILLARS

Smart Thinking

- *Fact-based analysis*
- *Use logic and customer insights*

Winning Attitude

- *Take responsibility for customers*
- *Seize every opportunity*

Innovative

- *Look at things with fresh perspective*
- *Find alternative & better ways*

Flexible

- *Adapt to every change*
- *Be prepared to face surprises*

Teamwork

- *Act, think and work together*
- *Always in the Company's interest*

THE VALUE WE GENERATED

OUR RESOURCES

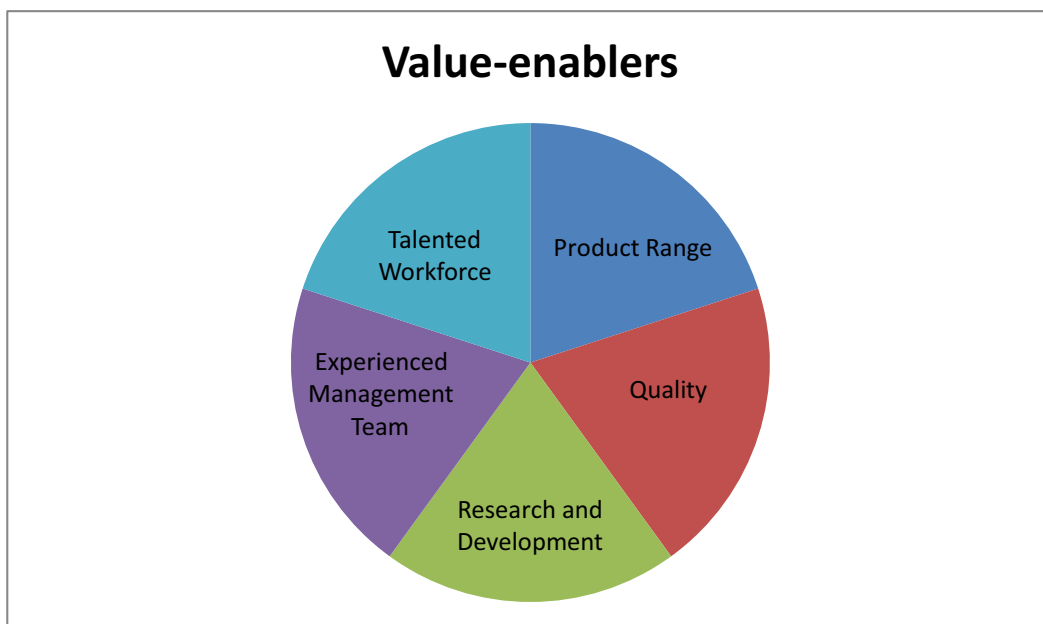

Financial capital:	Manufactured capital:	Human capital:	Intellectual capital:	Social and relationship capital:
The financial resources that we seek are based on funds we mobilize from investors, promoters, banks and financial institutions, net worth or accruals.	Our manufacturing assets, technologies and equipment for production constitute our manufactured capital. The logistics for the transfer of raw materials and finished products are integral to our manufacturing competence.	Our management, employees and contract workers form a part of our workforce, the experience and competence enhancing value.	Our focus on cost optimization and operational excellence, as well as our repository of proprietary knowledge account for our intellectual resources.	Our relationships with communities and partners (vendors, suppliers and customers) influence our role as a responsible corporate citizen.

VALUE CREATED

Financial capital:	Manufactured capital:	Human capital:	Intellectual capital:	Social and relationship capital:
Rs. 202.14 crores Total Revenue ----- Rs. 12.89 Earnings per share ----- 17.71% RoCE 31.01% Return on investment	1047 No of Machines produced & Sold	635 Number of direct and indirect employees ----- Rs. 20.61 crores Total remuneration,	More than 28 years Cumulative senior management experience ----- High Status of company in India's organized Machine tools sector	Number of vendors , suppliers, customers, Employees, Investors, Government and communities relationship with commitment, passion and integrity

VALUE SHARED WITH

Investors:	Suppliers:	Employees:	Customers:	Government and regulations:
The Company enriched investors through dividends (final Rs. 1.50 for FY22-23) and capital appreciation.	The Company sourced Rs. 136.15 crores of material from suppliers. The Company paid Rs. 3.71 crores in the form of income tax to the government; the employment catalyzed the local community through downstream economic benefits.

ENVIRONMENT AND COMMUNITIES

We have two hands, one for helping ourselves and other for helping others.

As a responsible and dedicated corporate citizen, we are committed towards a balance of economic, environmental and social imperatives. We undertake programs that support society's sustainable development on a regular basis. We emphasize on protecting the interests of the society and environment at large.

During 2022-23, we spent a total of Rs. 19.52 Lakhs towards CSR activities i.e Spent Rs. 2.52 lakhs towards promoting health care and Spent Rs. 17 lakhs towards Gaushala maintenance and Cattle welfare.

We also continuously focus on environment conservation and encourage using renewable energy and installation of energy-efficient equipment.

Steps undertaken towards energy conservation are as follows:

SOLAR PLANT WITH CAPACITY OF 200KW

NURTURING OUR HUMAN CAPITAL TO DRIVE GROWTH

We focus on the development of our employees' over-all competence, health and safety. We aim to be a reliable employer and an encouraging working entity where every individual has the opportunity to hone their skills and abilities.

At Macpower, we aim to create a work environment where our employees flourish. Employees play a critical role in successfully running our business, creating value and supporting us in meeting the expectations of our stakeholders. Our employees proactively contribute to create a sustainable future through and we are committed to their wellbeing and safety.

INDUSTRIES CATERED

We catered to various industrial segments like Automobile, Aerospace, Agriculture Equipments, Medical Instruments, Railways, Defence Equipments, Electrical Accessories, Pumps & Valves, Die & Mould and General Engineering amongst others.

INFRASTRUCTURE

Technologically Advance Machine Shop along with developing state of the art infrastructure facilities.

MACHINES AT GLANCE

AUTOMATION

Automation is mostly applicable and more adoptable where Human inputs needs to be minimize.

We have widest range of 9 different product categories namely Turning Center, Twin Spindle Turning Center, VMC, Twin Spindle VMC, Turn Mill Center, HMC, VTL, DTC, Grinder with 60+ different models:

TURNING CENTER

Bearing, Valve, Pump Industry, Tool Room, Automobile, Process Plant Components, Agriculture, Textile, Piping Industry

VERTICAL MACHINING CENTRE

Tool Room, Die And Mould, Automobile, Pattern, Defence, Power, Railways

TURN MILL CENTRE

Special Purpose Components, Aeronautics, Defence, Agriculture, Medical

VERTICAL TURRET LATHE

Valve Body, Motor Body, Engine Liner, Railways

HORIZONTAL MACHINING CENTRE

Automobile, Die And Mould, Defence, Aeronautics, Textile, Medical, Railways

DRILL TAP CENTRE

Electronics, Automobile, Textile

TWIN HEAD VMC

Automobile & Textile

AWARDS AND RECOGNITION

Dear Shareholders,

I hope you and your families are healthy and safe. I am pleased to present to you our 20th Annual report for the financial year 2022-23. I feel very proud that your company has demonstrated ability to adapt and work cohesively with all our stakeholders to deliver the targeted results in these unprecedented times.

As a Chairman of Macpower CNC Machines Limited (Macpower), let me assure you that despite myriad challenges, your company has focused on maintaining the growth momentum and delivering value.

Your company has outperformed during the financial year 2022-23 by generating highest total operating revenue of Rs. 201.89 Crore against Rs. 190.12 Crore of previous financial year, representing an increase of 6.20% Y-o-Y.

Your Company has sold 1047 number of Machines during the year, which is the highest annual sale of machines in the history of the Company. It was also heartening to see our NEXA vertical for premium products execute 261 machine out of the 1047 machines sold during the year.

Your Company's Board has also recommended final dividend of Rs. 1.50 per share (15% of FV of Rs 10 per share) for FY 2022-23, which is equivalent to nearly 12% Dividend Payout for the FY 2022-23.

MESSAGE FROM THE CHAIRMAN

We have started FY2023-24 with a strong order book of Rs 152.77 crore and have continued to build on it in Q1FY24. Our order book as on 30th June, 2023 stands at Rs 176.95 crore, which is nearly 16% higher than our order book as of end of FY23. On a typical execution cycle of four to six months, this provides us reasonable growth visibility for the rest of the year assuming that we are targeting significant order inflows during FY2023-24. It's further heartening to see that our premium products, which forms a part of the NEXA vertical contributes as of today contributes to 27% of our order book as on 30th June 2023.

We have also started CNC Automation & Robotic Division to provide tailored solution & services to customers with our various ranges of existing proven machines. We will provide robotic & gantry robotic cells for standard /customized scope of application. We have started to integrate CNC automation solution to customers who are using CNC machines of other CNC manufacturers.

Your Company has enhanced its manufacturing capacity from 1300 to 1500 machines per annum in this year as per commitment and has also maintained its status as a debt free company having strong liquidity. Further your Company is also doing further capex to increase the capacity by construction of a new 45000 sq. ft. facility for the assembly line and store. Machinery's, like Imported laser cutting machine & boring machine will be install by September 2023. Hence our capacity will be increase from 1500 to 1800 machine per annum in next year and will be available to us from FY2024-25 onwards. Also parallel expansion of our distribution network for 39 cities was taken up by increasing distributors from 44 to more than 79.

Recently we have also launched our "Pro series" - entry level basic Turning Machine for which we have recruited 9 new people in the pro group of the distribution network, which will help us strengthen our position in the market.

To cater to various industrial segments in a more in-depth way, Macpower is putting in all efforts to expand its current sales force & network. We also use digital Social media tools like Instagram, FB & LinkedIn etc. to address our target audience in an efficient & effective way. We are also participating in the Machine Tool Expo 2023 at Delhi.

We also continuously focused on environment conservation and encourage the use of renewable green energy. For this we have installed 200 KW rooftop solar power panels, thereby supporting our efforts towards Green Energy. We will also install another 200 to 300 KW rooftop solar power plant on our new building for assembly in the future.

We are working continuously to grow to the next level. Our efforts towards setting up a new assembly unit, increasing our machine capacity to 1800 machine per annum, expand our distribution network, increase our tech centres and expand our management team as well as our sales & marketing teams is aimed to help us reach the Rs 500 crore turnover mark over the next 3-5 years. Manpower management, Material management, Resources management and New Product developments continue to be our mantra for growth. We aim to achieve 20% Revenue CAGR over the next 5 years (base year FY2022-23) adjusted for any external events outside our control.

MESSAGE FROM THE CHAIRMAN

The machine tools market in India is estimated to grow at a CAGR of nearly 10-15 percent. Keeping our fingers crossed, we are seeing good days ahead for the Indian Machine Tool manufacturers.

Macpower and its progressive team firmly believe in hard work and dedication are assured the future growth of the company. Your company always believes in creating value for each and every stakeholders of the company.

I thank the Board, for their continued support and guidance. I sincerely thank our employees, our most precious assets, our customers for their undeterred trust in our brand. And also our Shareholders for their continued faith and all our stakeholders, namely vendors, government authorities and the local community, for their continued support. This synergy navigates us ahead, motivates us to exceed stakeholder expectations, and remain value driven.

With a strong foundation, we will continue executing our strategic priorities and accelerating our growth momentum.

Thank you and Jai Hind!
Regards,

Rupesh Mehta
Chairman & Managing Director

7	Any resident shareholders exempted from TDS deduction as per the provisions of Income Tax Act or by any other law or notification.	NIL	Necessary documentary evidence exemption from deduction of TDS substantiating.

❖ **NON-RESIDENT SHAREHOLDERS:**

The table below shows that withholding tax on dividend payment to non-resident shareholders who submit, on or before **15th September, 2023**, the following document(s), as mentioned in column no.4 of the below table, to the Company / Link Intime. In case all necessary documents are not submitted, then the TDS/Withholding tax will be deducted @20% (plus applicable surcharge and cess).

Sr. No.	Particulars	Withholding tax Rate	Documents required (if any)
1.	Foreign Institutional Investors (FIIs) / Foreign Portfolio Investors (FPIs)/Other Non-Resident shareholders	20% (plus applicable surcharge and cess) or tax treaty rate whichever is beneficial	FPI registration certificate in case FIIs/ FPIs. To avail beneficial rate of tax treaty following tax documents would be required: 1. Tax Residency certificate issued by revenue authority of country of residence of shareholder for the year in which dividend is received 2. PAN or declaration as per Rule 37BC of Income Tax Rules, 1962 in a specified format. 3. Form 10F filled & duly signed 4. Self-declaration for non-existence of permanent establishment/ fixed base in India (Note: Application of beneficial Tax Treaty Rate shall depend upon the completeness of the documents submitted by the Non- Resident shareholder and review to the satisfaction of the Company)
2	Indian Branch of a Foreign Bank	Nil	Lower tax deduction certificate u/s 195(3) obtained from Income Tax Authority Self-declaration confirming that the income is received on its own account and not on behalf of the Foreign Bank and the same will be included in taxable income of the branch in India.
3	Availability of Lower/NIL tax deduction certificate issued by Income Tax Authority	Rate specified in certificate	Lower tax deduction certificate obtained from Income Tax Authority
4	Any non-resident shareholder exempt from WHT deduction as per the provisions of Income Tax Act or any other law such as The United Nations (Privileges and Immunities) Act, 1947, etc.	Nil	Necessary documentary evidence substantiating exemption from WHT deduction.

Notes:

- (i) The Company will issue soft copy of the TDS certificate to its shareholders through email registered with the Company / LINK INTIME post payment of the dividend, if requested. Shareholders will be able to download Form 26AS from the Income Tax Department's website <https://incometaxindiaefiling.gov.in>.
- (ii) The aforesaid documents such as Form 15G/ 15H, documents under section 196, 197A, FPI Registration Certificate, Tax Residency Certificate, Lower Tax certificate etc. can be uploaded on the link <https://www.linkintime.co.in/formsreg/> submission-of-form-15g-15h.html on or before **15th September, 2023** to enable the Company to determine the appropriate TDS/withholding tax rate applicable. Any communication on the tax determination/ deduction received after **15th September, 2023** shall not be considered.

- (iii) Application of TDS rate is subject to necessary verification by the Company of the shareholder details as available in Register of Members as on the Record Date, and other documents available with the Company / Link Intime.
- (iv) In case TDS is deducted at a higher rate, an option is still available with the shareholder to file the return of income and claim an appropriate refund.
- (v) No TDS will be deducted in case of resident individual shareholders who furnish their PAN details and whose dividend does not exceed Rs. 5,000/-. However, where the PAN is not updated in Company/Link Intime/Depository Participant records or in case of an invalid PAN, the Company will deduct TDS u/s 194 without considering the exemption limit of Rs. 5,000/-. All the shareholders are requested to update their PAN with their Depository Participant (if shares are held in electronic form) and Company/Link Intime (if shares are held in physical form) against all their folio holding on or before **15th September, 2023**.
- (vi) In the event of any income tax demand (including interest, penalty, etc.) arising from any misrepresentation, inaccuracy or omission of information provided by the Member/s, such Member/s will be responsible to indemnify the Company and also, provide the Company with all information / documents and co-operation in any appellate proceedings. This Communication is not exhaustive and does not purport to be a complete analysis or listing of all potential tax consequences in the matter of dividend payment. Shareholders should consult their tax advisors for requisite action to be taken by them.

16. To prevent fraudulent transactions, Members are advised to exercise due diligence and notify the Company of any change in address or demise of any Member as soon as possible. Members are also advised to not leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant ('DP') and holdings should be verified from time to time.

17. PROCESS AND MANNER FOR MEMBERS OPTING FOR VOTING THROUGH ELECTRONIC MEANS

- i. In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014, the Company is pleased to provide members facility to exercise their right to vote at the 20th Annual General Meeting (AGM) through electronic voting system of link Intime India Private Limited through their Insta vote platform:
- ii. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. **Friday, September 15, 2023**, shall be entitled to avail the facility of remote e-voting. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
- iii. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. **Friday, September 15, 2023** shall be entitled to exercise his/her vote through remote e-voting following the procedure mentioned in this part.
- iv. The remote e-voting will commence on **9:00 A.M. on Monday, 18th September, 2023** and will end on **5:00 P.M. on Thursday, 21st September, 2023**. During this period, the members of the Company holding shares as on the Cut-off date i.e. **Friday, September 15, 2023** may cast their vote electronically. The members will not be able to cast their vote electronically beyond the date and time mentioned above and the remote e-voting module shall be disabled for voting by Link Intime India Private Limited thereafter.

- v. Once the vote on a resolution is cast by the member, he/she shall not be allowed to change it subsequently or cast the vote again.
- vi. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date i.e., **Friday, September 15, 2023**.
- Vii. The Board of Directors has appointed Mr. Kalpesh P. Rachchh [Membership no. FCS 5156] proprietor of K. P. Rachchh & Co., Practicing Company Secretaries as a Scrutinizer to scrutinize the voting at the AGM and remote e-voting process in a fair and transparent manner.

The Scrutinizer shall, immediately after the conclusion of voting at the general meeting, unblock the votes cast through remote e-voting in the presence of at least two witnesses not in the employment of the company and make and submit, within 48 hours of conclusion of the meeting, a consolidated scrutinizer's report (i.e. votes through E-voting and Votes cast at AGM through Ballot paper) of the total votes cast In favor or against, if any, to the Chairman or a person authorized by him in writing.

The facility for voting through ballot paper shall be made available at the AGM for the members who have not cast their vote by remote e-voting; The members who have casted their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again. A member can vote either by remote e-voting or at the AGM. In case a member votes by both the modes then the votes cast at the AGM shall be considered invalid.

The result declared along with the Scrutinizer's Report shall be placed on the Company's website www.macpowercnc.com and on the website of NSE at www.nseindia.com

18. INSTRUCTIONS FOR CASTING VOTES BY REMOTE E-VOTING

vi. Company's Policy/Terms of Reference of committees

The Terms of Reference of Audit Committee, Nomination and Remuneration Committee, Stakeholders Relationship Committee and corporate social responsible committee are disclosed in Corporate Governance report which forms part of this Annual Report.

vii. Company's Policy on Directors' Appointment and Remuneration

Remuneration policy of the Company is designed to create a high-performance culture. It enables the Company to attract, retain and motivate employees to achieve results. Our business model promotes customer centricity and requires employee mobility to address project needs. The remuneration policy supports such mobility through pay models that are compliant to local regulations.

The Company pays remuneration by way of salary, benefits, perquisites and allowances etc. to its Managing Director & the Executive Directors. Annual increments are recommended by the Nomination and Remuneration Committee

The Board of Directors, on the recommendation of the Nomination and Remuneration Committee, decides the commission/remuneration payable to the Managing Director and the Executive Directors out of the profits for the financial year and within the ceilings prescribed under the Act, based on the Board evaluation process considering the criteria such as the performance of the Company as well as that of the Directors. The said commission/remuneration is decided each year by the Board of Directors, on the recommendation of the Nomination and Remuneration Committee and paid to the Managerial personnel based on the Board evaluation process, considering criteria such as their attendance and contribution at the Board and Committee meetings, as well as the time spent on operational matters other than at meetings. The Company may reimburse the out-of-pocket expenses incurred by the Directors for attending the meetings.

Nomination and Remuneration policy is placed on the website of the Company at https://macpowercnc.com/albums/investor_doc/NominationandRemunerationpolicy.pdf

viii. Board Evaluation

The Board of Directors has carried out an annual evaluation of its own performance, board committees, and individual directors pursuant to the provisions of the Act and SEBI (LODR) Regulations, 2015. The performance of the board was evaluated by the Board after seeking inputs from all the directors on the basis of criteria such as the board composition and structure, effectiveness of board processes, information and functioning, etc.

The performance of the committees was evaluated by the Board after seeking inputs from the committee members on the basis of criteria such as the composition of committees, effectiveness of committee meetings, etc.

In a separate meeting of independent directors, performance of non-independent directors, the board as a whole and the Chairman of the Company were evaluated, taking into account the views of executive directors and non-executive directors.

The Board and the Nomination and Remuneration Committee reviewed the performance of individual directors on the basis of criteria such as the contribution of the individual director to the board and committee meetings like preparedness on the issues to be discussed, meaningful and constructive contribution and inputs in meetings, etc.

Performance evaluation of independent directors was done by the entire board, excluding the independent director being evaluated.

As per Companies Act, 2013, Board has made annual evaluation of its own performance and also of its committees and Individual Directors. The evaluation of all the directors and the Board as a whole was conducted based on the criteria and framework adopted by the Board. Board of Directors is actively taking an action for evaluation.

ix. Remuneration of Directors and Employees

Details of Remuneration of Executive Directors for the year ended on March 31, 2023:

Name of Director	Designation	Amount of Remuneration
Mr. Rupesh J. Mehta	Managing Director	*36,00,000
Mr. Nikesh J. Mehta	Whole-Time Director	*24,00,000

* Board of directors has based upon the recommendation of nomination and remuneration committee and subject to approval of members of the company (which later approved by members at their AGM held on 27.09.2022) has reappointed and revised managerial remuneration as follows:

Mr. Rupesh J. Mehta having monthly remuneration (gross salary) of Rs. 3,00,000/- till 30th September, 2022 and thereafter professional/Management Consultancy Fee of Rs. 3,00,000/- plus 18% GST with effect from 01st October, 2022 and Mr. Nikesh J. Mehta having monthly remuneration (gross salary) of Rs. 2,00,000/- till 30th September, 2022 and thereafter professional/Management Consultancy Fee of Rs. 2,00,000/- plus 18% GST with effect from 01st October, 2022.

The Company has not paid any remuneration/commission/sitting fees to Non-Executive director and Independent Directors.

Particulars of employees:

Disclosure pertaining to remuneration and other details as required under the Act read with Rule 5 of the Companies [Appointment and Remuneration of Managerial Personnel] Rules, 2014 and amendments thereof are provided in the Annual Report. Particulars of Employees in terms of the provisions of Section – 197(12) of the Act read with Rule 5 is attached with this report as **Annexure - 1**.

x. Directors' Responsibility Statement

Pursuant to the provisions of Section 134(3)(C) and 134(5) of the Companies Act, 2013, Your directors confirm, to the best of their knowledge and belief:

- In the preparation of the annual accounts, the applicable accounting standards had been followed along with proper explanation relating to material departures;
- The Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the company at the end of the year and the profit and loss of the company for that period;
- The Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the company and for preventing and detecting fraud and other irregularities;
- The Directors had prepared the annual accounts on a going concern basis;
- The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively;
- The Directors had laid down internal financial controls to be followed by the company and that such internal financial controls are adequate and operating effectively.

INTERNAL FINANCIAL CONTROLS AND INTERNAL CONTROL SYSTEMS:

“Internal financial controls” means the policies and procedures adopted by the company for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information.

Based on the framework of internal financial controls and compliance systems established and maintained by the Company, the work performed by the internal, statutory and secretarial auditors and external consultants, including the audit of internal financial controls over financial reporting by the statutory auditors and the reviews performed by management and the relevant board committees, including the audit committee, the Board is of the opinion that the Company's internal financial controls were adequate and effective during FY 2022-23.

The Internal Financial Controls with reference to financial statements as designed and implemented by the Company are adequate. During the year under review, no material or serious lapses have been observed by the Internal Auditors of the Company for inefficiency or inadequacy of such controls.

The Company's internal control procedure, which includes internal financial controls, ensures compliance with various policies, practices and statutes keeping in view the organization's pace of growth and increasing complexity of operations. The Internal Auditors carry out extensive audits throughout the year across all functional areas and submit their reports to the Audit Committee. The said Reports have not included any observation of any serious lapses in the system during the year under review.

Based on its evaluation [as defined in section 177 of Companies Act 2013 and Clause 18 of SEBI Regulations 2015], our audit committee has concluded that, as of March 31, 2023 our internal financial controls were adequate and operating effectively.

DISCLOSURES RELATING TO SUBSIDIARIES, ASSOCIATES AND JOINT VENTURES

Your company has no holding/subsidiary/associate company. So, disclosure in AOC-1 required under section 129 of the Act is not applicable to your company.

ANNEXURE - 4

**CONSERVATION OF ENERGY, RESEARCH AND DEVELOPMENT,
TECHNOLOGY ABSORPTION AND FOREIGN EARNING & OUTGO**

A. CONSERVATION OF ENERGY:

- The steps taken or impact on conservation of energy: **200KW Solar Plant was installed during the FY 2020-21.**
 - Installation of solar plant is company's one step towards self-reliance for captive power consumption
 - Solar Plant installation will help to reduce carbon footprint which leads to prevent greenhouse effects.
- The steps taken by the company for utilizing alternate sources of energy: **Solar Plant installation**
- The capital investment on energy conservation equipment's: **Nil**

TOTAL ENERGY CONSUMPTION

A. Power & Fuel Consumption		
Particulars	2022-23	2021-22
a) Electricity		
Purchased (KWH)(Units)	10,32,273	8,95,140
Total Amount	91,41,153	66,98,344
Average Rate Rs.	8.86	7.48
b) Coal		
Quantity (MT)		
Total Amount (Rs. In Lacs)		
Average Rate Rs.		
c) Furnace Oil		
Quantity (MT)		
Total Amount (Rs. In Lacs)		
Average Rate Rs.		
d) Solar Energy		
Generated (Units) during the year	2,40,000	2,54,000
B. Consumption for Unit of Production		
Particulars	2022-23	2021-22
Production (Nos)	1047	1046
Consumption per unit [Electricity (KWH)& Solar (Units)]	1215.16	1098.60

B. TECHNOLOGY ABSORPTION –

- (i) the efforts made towards technology absorption: **Nil**
- (ii) the benefits derived like product improvement, cost reduction, product development or import substitution: **Nil**
- (iii) in case of imported technology (imported during the last three years reckoned from the beginning of the year under reference) –
 - a) Details of the technology imported;
 - b) The year of import;
 - c) Whether the technology has been fully absorbed and if not, areas where absorption has not taken place, and the reasons thereof: No technology Imported in last three years
- (iv) the expenditure incurred on Research and Development : **NIL**

C. FOREIGN EXCHANGE EARNING AND OUTGO:

- (i) Total foreign Exchange Earnings during the year: **NIL**
- (ii) Total foreign Exchange outgo (FOB): **INR 17,39,90,143/-**

Place: **Metoda, Rajkot**

Date: **11th August, 2023**

For and on behalf of the Board of
MACPOWER CNC MACHINES LIMITED

[Rupesh J. Mehta]
Chairman & Managing Director

ANNEXURE - 5

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2023
[Pursuant to section 204(1) of the Companies Act, 2013 and rule
No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
MACPOWER CNC MACHINES LIMITED
(CIN: L30009GJ2003PLC043419)
Plot No. 2234, Nr. Kranti Gate, GIDC Metoda,
Tal. Lodhika, Dist. Rajkot- 360021

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by MACPOWER CNC MACHINES LIMITED (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023, has generally complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by MACPOWER CNC MACHINES LIMITED ("the Company") for the financial year ended on 31st March, 2023, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder and further amendments thereto and as per applicability to the company;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA'), Securities Contracts (Regulation) Amendment Act, 2007 and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, transfer and transmission of shares;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 and amendments thereto;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and amendments thereto;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018; **Not Applicable** during the Audit period.

- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; **Not Applicable** during the Audit period.
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; **Not Applicable** during the Audit period.
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client. **Not applicable** during the Audit period.
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021; **Not Applicable** during the Audit period and
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018; **Not Applicable** during the Audit period.
- (vi) The Company has identified the following laws as specifically applicable to the Company:
1. Explosive Act, 1884

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to board and general meetings.
- (ii) The Listing Agreement as per SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and amendments thereto entered into by the Company with National Stock Exchange of India Limited and Compliances to be made as per SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015 were complied within the time prescribed under the SEBI (Listing of Obligations and Disclosure Requirement) Regulations, 2015. **except for the following one time non compliance /delayed compliance under Regulation 23(9) of SEBI (LODR) Regulations, 2015 related to Disclosures of Related Party Transactions for the half year ended on 31st March, 2022:**

Company has Submitted Disclosures of Related Party Transactions under Regulation 23(9) of SEBI (LODR) Regulations, 2015 on 17th June, 2022 and date of publication of financial result was 28th May, 2022 and accordingly submitted late by four (4) days and In respect thereto, NSE has levied fine of Rs. 20,000 + GST Total amount Rs. 23,600 as per SEBI Circular No. SEBI /HO / CFD /CMD /CIR / P / 2020/12 Dated January 22, 2020 (Referred to as SOP Circular) and Company has paid fine amount of Rs. 21,600/- after deducting TDS of Rs. 2000/- within the given time period.

During the period under review, apart from above mentioned noncompliance /delayed compliance, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. Further, re-appointment of Managing Director, Whole Time Director and of Independent directors for second term of five (5) years were made in due compliance with the provisions of the Companies Act, 2013.

Adequate notice was given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and through circular resolutions and at Committee Meetings have been carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be. There were no dissenting views on any matter.

We further report that based on review of compliance mechanism established by the Company and on the basis of the Management representation letter, we are of the opinion that the management has adequate systems and processes commensurate with its size and operations, to monitor and ensure compliance with all applicable laws, rules, regulations and guidelines.

This Report is to be read with our letter of even date which is annexed as Annexure A and Forms an integral part of this report.

ANNEXURE TO SECRETARIAL AUDIT REPORT

To,
The Members,
MACPOWER CNC MACHINES LIMITED
(CIN: L30009GJ2003PLC043419)
Plot No. 2234, Nr. Kranti Gate, GIDC Metoda,
Tal. Lodhika, Dist. Rajkot- 360021

Our report of even date is to be read along with this letter.

1. Maintenance of Secretarial record is the responsibility of the management of the Company. Our responsibility is to express as opinion on these secretarial records based on our audit.
2. We have followed the audit practices and process as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records.

We believe that the processes and practices, we followed provide a reasonable basis for our opinion.

3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Where ever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, Rules, Regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

FCS No.: 5156
C P No.: 3974
Peer Review Certificate No.: 737/2020

Pursuant to Regulation 34(2)(e) of SEBI LODR Regulations 2015, a Management Discussion and Analysis report is given below:-

1. BUSINESS OVERVIEW

Your Company is engaged in manufacturing of CNC Turning Centers, Vertical Machining Centers, Horizontal Machining Centers, Cylindrical Grinder, Vertical Turret Lathe, Turn Mill Centers, Drill Tap Center, Twin Spindle VMC and also Multi-Tasking with sub-spindle and Robotic Automation. Adding to the solution capabilities, Macpower has also offered Robotic Automation integrated with CNC machines to cope up the demand of technology driven machining excellence. CNC Machining is a process used in the manufacturing sector that involves the use of computers to control machine tools. Tools that can be controlled in this manner include lathes, mills, routers and grinders. CNC stands for Computer Numerical Control. On the surface, it may look like a normal PC that control the machines, but the computer's unique software and control console are what really set the system apart for use in CNC machining. Under CNC Machining, machine tools function through numerical control, a computer program is customized for an object and the machines are programmed with CNC machining language (called G-code) that essentially controls all features like feed rate, coordination, Position and RPM. With CNC machining, the computer can control exact positioning and speed.

Company's in house research and development approach allows us to offer customized solutions to our customers. Macpower CNC Machines Limited is an ISO 9001:2015 certified Company for Manufacture and Supply of CNC Metal Cutting Machines Our Company is well equipped with the latest infrastructure and equipment, well qualified skilled intellectual capital to support the manufacturing of high end technology driven machines.

We are also expanding our capacity to nearly 1500 machines per annum. This will help us to continue delivering growth at 20% CAGR for the next 3 to 5 year.

Further, as we have also been indicating, we have continuously been growing our order book in spite of strong revenue execution. This has led to our unexecuted order book as of 31st March, 2023, to grow to Rs.152.77 crores, which at the beginning of the year was Rs.146.86 crores.

For more information please go through our website <https://www.macpowercnc.com/company-profile/>

2. ECONOMY OUTLOOK

a. WORLDECONOMY

Global economic activity is experiencing a broad-based and sharper-than-expected slowdown, with inflation higher than seen in several decades. The cost-of-living crisis, tightening financial conditions in most regions, Russia's invasion of Ukraine, and the lingering COVID-19 pandemic all weigh heavily on the outlook. Global growth is forecast to slow from 6.0 percent in 2021 to 3.2 percent in 2022 and 2.7 percent in 2023. This is the weakest growth profile since 2001 except for the global financial crisis and the acute phase of the COVID-19 pandemic. Global inflation is forecast to rise from 4.7 percent in 2021 to 8.8 percent in 2022 but to decline to 6.5 percent in 2023 and to 4.1 percent by 2024. Monetary policy should stay the course to restore price stability, and fiscal policy should aim to alleviate the cost-of-living pressures while maintaining a sufficiently tight stance aligned with monetary policy. Structural reforms can further support the fight against inflation by improving productivity and easing supply constraints, while multilateral cooperation is necessary for fast-tracking the green energy transition and preventing fragmentation.

WORLD ECONOMY OUTLOOK:

The baseline forecast is for growth to fall from 3.4 percent in 2022 to 2.8 percent in 2023, before settling at 3.0 percent in 2024. Advanced economies are expected to see an especially pronounced growth slowdown, from 2.7 percent in 2022 to 1.3 percent in 2023. In a plausible alternative scenario with further financial sector stress, global growth declines to about 2.5 percent in 2023 with advanced economy growth falling below 1 percent. Global headline inflation in the baseline is set to fall from 8.7 percent in 2022 to 7.0 percent in 2023 on the back of lower commodity prices but underlying (core) inflation is likely to decline more slowly. Inflation's return to target is unlikely before 2025 in most cases.

Rising interest rates and the developments in Eastern Europe will continue to cast a grim shadow on global economic stability. On the positive side however, the reopening of China's economy, higher global demand and slowing inflation projected across certain countries in the year ahead have seemingly paved the way for a healthy recovery.

According to the World Bank, investment growth in emerging markets and developing economies is likely to remain below its average rate of the past two decades. Unforeseen adverse shocks could further pull down the global GDP. Smaller nations are particularly vulnerable to such shocks because of their reliance on external trade and financing, limited economic diversification, elevated debt, and susceptibility to natural disasters. In order to mitigate the risks of global recession and debt distress in emerging markets & developing economies and to support a major increase in investment, well-concerted global and national level efforts are necessary.

b. INDIAN ECONOMY

India economy has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers in the world over the next few years, backed by its robust democracy and strong partnerships.

India, the third-largest economy in the world in Purchasing Power Parity (PPP) terms and the fifth-largest in market exchange rates, has reinforced the country's belief in its economic resilience as it has withstood the internal and external challenges alike such as of mitigating external imbalances caused by the Russian-Ukraine conflict without losing growth momentum in the process. The Indian economy appears to have moved on addressing the challenges posed by the pandemic, staging a full recovery, ahead of many nations and positioning itself to ascend to the pre-pandemic growth path in Financial Year (FY) 2023-24.

India recovered from the pandemic in FY22 and positioned itself to ascend to the pre-pandemic growth path. According to the Economic Survey, the nominal GDP of India was estimated at US\$ 3.5 trillion in March 2023.

During FY23, India faced challenges in reining inflation which was accentuated by the global geopolitical developments. The average retail inflation for FY23 was 6.7 per cent while in March 2023, the retail inflation came down to 5.7 per cent.

India's Current Account Deficit (CAD) widened owing to high global commodity prices, the depreciation of the Indian Rupee and the increased quantum of imports to meet the requirements of a growing economy. India's industrial output, as measured by the Index of Industrial Production (IIP), stood at 5.6 per cent on an annual basis in February 2023, according to recent National Statistical Office (NSO) data. That marked an improvement of 40 basis points sequentially, from growth of 5.2 per cent in factory output in January. The rise in industrial production was mainly driven by the manufacturing sector.

Given these developments, India with a GDP growth estimated at around 7.2% in FY23 retained its position as the fastest-growing major economy.

India is set to be the second-fastest growing economy in the G20 in FY 2022-23, despite decelerating global demand and the tightening of monetary policy to manage inflationary pressures. GDP growth will slow to 5.7% in FY 2023-24, as exports and domestic demand growth moderate.

Recent economic developments in India are as follows:

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The Indian government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over recent decades, India's rapid economic growth has led to a substantial increase in its demand for exports. Besides this, a number of the government's flagship programmes, including Make in India, Start-up India, Digital India, the Smart City Mission, and the Atal Mission for Rejuvenation and Urban Transformation, are aimed at creating immense opportunities in India.

The Centre has also incentivised the State Governments through interest-free loans and enhanced borrowing ceilings to prioritise their spending on Capex. With an emphasis on infrastructure-intensive sectors like roads and highways, railways, and housing and urban affairs, the increase in Capex has large-scale positive implications for medium-term growth.

INDIAN ECONOMY OUTLOOK:

India is expected to sustain a 6.5 per cent-plus GDP growth in FY24. The economic progress in FY24 will be supported by robust domestic demand and a healthy pick-up in capital formation.

The Economic Survey 2022-23 highlighted that India's economic recovery from the pandemic is complete and the economy is expected to grow in the range of 6% to 6.8% in the coming financial year 2023-24.

Global growth is projected to decline in 2023, but India's growth is expected to be swift in FY24 with a vigorous credit disbursal and capital investment cycle.

The significant impetus to infrastructure creation in the Union Budget 2023 is expected to have a significant positive impact cascading on multiple sectors that support infrastructure creation. The visible challenges on the horizon are a global slowdown that could impede exports and persistently high inflation leading to continuing interest rate hikes by the RBI.

The expansion of public digital platforms and measures such as PM GatiShakti, the National Logistics Policy, and the Production-Linked Incentive schemes will support economic growth and boost manufacturing output.

3. INDUSTRY STRUCTURE AND DEVELOPMENT

Machine Tools Industry

Machine tool sector is a part of the capital goods industry. It is a sub-sector of the engineering industry included under the category heavy engineering units. Machine tool segment produces mother machines therefore plays a vital role in the technological up gradation, quality control and cost in the engineering & manufacturing sector.

Machine tools industry is a critical part of the manufacturing sector. The machine tools industry in India has been serving the need for manufacturing through the production of machine tools, accessories/attachments, subsystems and parts.

The Indian machine tools market size reached US\$ 1.4 Billion in 2022 and is expected to reach US\$ 2.5 billion by 2028, exhibiting a growth rate (CAGR) of 9.4% during 2023-28.

The Indian Machine Tool Industry which is presently about Rs. 7000-8000 crore is expected to see significant growth in the coming year. "The industry is expected to reach Rs. 9,500-10,000 crore in 2023-24.

The Indian machine tool industry is growing at a steady pace and, with the continuous support of the government, aims to grow even further and steadily positioned itself in the global market..

India stands 17th in production and 12th in the consumption of machine tools in the world. The country is set to become a key player in the global machine tools industry and is likely to see substantial high-end machine tool manufacturing. Studies have rated India higher in terms of manufacturing capability and availability of quality engineers. This design strength gives the Indian machine tools industry a competitive advantage, in terms of special purpose machine tools.

Developments/ Road ahead:

Technology and Product Development

Having access to the latest technology is a key imperative for success in the Indian manufacturing sector. As companies look to source manufactured products from India, they expect the same level of technology and product development capability in India that is prevalent in other global markets. Indian machine tool manufacturers have responded to this challenge by focusing on improvement in capabilities and performance in technology, design and product development.

Productivity Improvement and Cost Reduction

The Indian manufacturing sector is highly competitive and continuous improvement in productivity and costs is imperative for players to sustain in the global market. Indian machine tool manufacturers have been focusing on critical areas such as, reduction of idle time, increased asset utilization; productivity through quality improvement; optimizing processes; leveraging IT to increase productivity and better management of productivity through appropriate performance metrics.

Design and Innovation Capability

With user industries becoming more demanding, the machine tools sector faces the need to develop increasingly complex machine tools, to meet their customized requirements. At the same time, product development cycle times need to be crunched. This indicates that it is imperative for players to invest in R&D and develop robust design and innovation capabilities.

Rising Adoption of Internet of Things (IoT) Technologies to Fuel Growth

One of the most prominent machine tools market trends is expected to be the increasing uptake of IoT in the manufacturing sector. This will be a result of escalating demand for information and access to information. Furthermore, producers are looking to bring down their production costs, streamline processes, and raise the safety quotient in their units. As a result, there is growing investment in IoT by manufacturers for improved management and control, which is propelling the machine tool market, especially CNC Machine tools

Adoption of CNC Machine Tools in Medical Sector:

CNC machines are capable of producing sophisticated surgical instruments, tiny screws and everything in between. In addition medical machined parts for the most complex devices require tight tolerances, which is capable through CNC machine tools. Adding to this, multi-tool and multi-axis machines, such as CNC Swiss turning centers, improve the manufacturing of medical parts with shorter cycle times and owing to the features allowing versatility during production. Moreover several medical equipment manufacturers such as Pulse systems are focusing on adopting CNC machine tools for advancements in manufacturing.

The Future of Machine Tool Industry:

Machine tool industry has emerged in the new avatar courtesy of Digitalization and Industry 4.0. One of the oldest and traditional industries, the machine tool industry has walked many miles to achieve the current status.

In the coming years, digitalization will completely transform the Machine tool industry and the merger of these dynamic elements will result in process efficiency and productivity. Although the industry is flooded with numerous solutions, it is essential to identify the space, which requires transformation and adopt solutions accordingly. The industry is witnessing innovative technological solutions in every aspect of the processes.

The sensor integration, utilization of artificial intelligence (AI), and the integration of sophisticated simulation features, enable the advancements in machine performance and overall equipment effectiveness (OEE). Additionally, the advanced sensors and modern ways of communication, controlling, and monitoring systems allows creating new opportunities for smart services and new business models in the machine tool market. The digitally enhanced services are about to become part of each OEM's portfolio in the future.

Along with various innovative technologies, the market is laden with new trends, which will help to boost the machine tool industry. In the current digital age, mass customization, reduced time-to-consumer, error proofing using latest technologies are a few trends that require enhanced machine flexibility. It is essential to comprehend the new machines and utilize them to achieve maximum efficiency. Additionally, core aspects such as price, usability, longevity, process speed, quality, and greater machine flexibility are few characteristics of new machines.

Currently, data security, open communication interfaces, new information & communication technology (ICT) are essential elements to integrate digital applications and prominent automation solutions. This process will help to transform the machine tools into user friendly tools in the future.

Advancements in hardware and software are changing the Machine Tool Industry. Industry trends in the coming years are likely to focus on these advancements, especially as they pertain to automation.

The machine tool industry is expected to see advancements in:

- a. CNC software advancements
- b. Automated and IoT-ready machines
- c. Artificial intelligence (AI)
- d. Inclusion of smart features and networks

4. SWOT ANALYSIS:**STRENGTH**

- Robust Team of Research & Development.
- Ever-growing production capacity.
- Wide range of products.
- Satisfied and prestigious Client base.
- Experienced and Visionary Management.
- Trained Workforce.
- Debt Free culture.
- Strong Operational and Financial Strength.
- Delivering value to end users
- Strong tender/ Government Business
- Dispatching Machines to defence sector, educational sector etc.

WEAKNESS

- Long manufacturing cycle.
- Inventory Maintenance of critical components.

OPPORTUNITIES

- High opportunities in defence sector:
Invoking Atmanirbhar Bharat (Self-Reliant India) initiative, the Ministry of Defence (MOD) has announced ban on the import of 101 items of defence equipment. As an equipment type comes under the import embargo, the military will be required to buy it from Indian defence manufacturers. This decision will offer great opportunity to the Indian defence industry to manufacture items on the negative list by using its own design and development capabilities or adopting the technologies designed and developed by the Defence R&D Organization to meet the requirements of the Armed Forces.
- Introducing PPP model in Indian Railways and privatization of trains helps to boost some changes in the Railway sector as a whole, with a positive impact on machine tool industry.
- Growing demand of capital goods in the market.
- Presence of fewer major players in the machine tools industry.
- Automation and artificial intelligence opening doors for machine tools manufactures to manufacture high end machines with specifications.
- 'Make in India' and 'Aatmanirbhar Bharat' abhyan are triggering concepts for Indian Manufacturer and which will enhance in-house manufacturing and reduces burden of imports.
- There is opportunity and potentiality for Exporting of Machines and Machining components

THREAT

- Entry of global players in the machine tools industry.
- Mobilization of funds in various segments of industry is very essential for demand pull in capital goods sector. This is to be maintained on macro-economic level otherwise poses a threat to capacity utilization of any machine tool company since, majority of machines roll out based on end user's loan facilities.
- External factors such as political, environmental, technical etc
- Competition from international players manufacturing/supplying in India.

Disclaimer: This information has been collected through secondary research and Company is not responsible for any errors in the same. All figures are approx.

Approach of Macpower

- Your company is also taking all the stated points into consideration to take necessary steps to enter into newer industry segments, newer geographical markets, making changes in current product portfolio and incorporating feasible IoT to maintain the growth trajectory for it.
- Your company is vigilant enough with above factors and use to have internal restructuring mechanism to counter the above mentioned conditions to maximum extent.

5. PRODUCT WISE PERFORMANCE IN FY-2023

Sales in value – Product wise in 2022-2023

PARTICULARS	(INR in Lakh)
CNC	12,759
VMC	6,932
VTL	67
HMC	87

Note: Revenue from operations in the balance sheet is total of Sales + Selling of Parts + Selling of Scrap. Your company operates in single segment and that's why segment wise performance reporting is not applicable to your company.

6. RISKS & CONCERNS

The Company has adopted a comprehensive and integrated risk appraisal, mitigation and management process. The risk mitigation measures of the Company are placed before the Board of Directors' periodically for review and improvement.

7. INTERNAL CONTROL SYSTEMS & THEIR ADEQUACY

Your Company has an effective internal control and risk-mitigation system, which are constantly assessed and strengthened with new/ revised standard operating procedure. The Company's internal control system is commensurate with its size, scale and complexities of its operations. The main trust of internal audit is to test and review controls, appraisal of risks and business processes, besides benchmarking controls with best practices in the industry.

The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of the internal control systems and suggests improvements to strengthen the same, if needed. The Company has a robust Management Information System, which is an integral part of the control mechanism.

The Audit Committee of the Board of Directors, Statutory Auditors and Heads are periodically apprised of the internal audit findings and corrective actions taken. Audit plays a key role in providing assurance to the Board of Directors. To maintain its objectivity and independence, the Internal Audit functions reports to the Chairman of the Audit Committee.

8. OPERATIONAL PERFORMANCE

Date: 11th August, 2023

**For and on behalf of the Board of
MACPOWER CNC MACHINES LIMITED**

[Rupesh J. Mehta]
Chairman & Managing Director
DIN: 01474523

A report on corporate governance is set out in compliance with the corporate governance requirements as stipulated in SEBI (Listing obligations and Disclosure Requirements) Regulations, 2015.

I. COMPANY'S PHILOSOPHY ON THE CORPORATE GOVERNANCE.

The Company's philosophy on Corporate Governance is embedded in the rich legacy of ethical governance practices. This includes its corporate and other structures, its culture, policies and the manner in which it deals with various stakeholders. Accordingly timely and accurate disclosure of information regarding the financial situation, performance, ownership and governance of the company is an important part of corporate governance.

Integrity, accountability, transparency and compliance with laws which are the columns of good governance are connected in the Company's robust business practices to ensure ethical and responsible leadership both at the Board and the Management Level.

Your company has complied with the requirement of corporate governance as laid down under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

II. BOARD OF DIRECTORS

The Board of Directors of the Company is duly constituted. The Composition of Board of Directors of the Company comprises of Executive and Non-Executive directors as on 31st March, 2023, the board of directors of the company consists of six directors out of which four (4) are Non-Executive and amongst the four (4) Non-Executive Directors Three (3) are independent directors and one (1) is Woman Non-Executive director which is in conformity with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and the Company's Act, 2013 ("ACT").

Independent Directors are non-executive directors as defined under Regulation 16(1)(b) of the SEBI Listing Regulations and Section 149(6) of the Act along with rules framed thereunder. In terms of Regulation 25(8) of SEBI Listing Regulations, they have confirmed that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact their ability to discharge their duties. Based on the declarations received from the Independent Directors, the Board of Directors has confirmed that they meet the criteria of independence as mentioned under Regulation 16(1)(b) of the SEBI Listing Regulations and that they are independent of the management. Further, the Independent Directors have included their names in the data bank of Independent Directors maintained with the Indian Institute of Corporate Affairs in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014.

**PRACTICING COMPANY SECRETARY'S CERTIFICATE
ON CORPORATE GOVERNANCE**

Certificate on compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Members,
MACPOWER CNC MACHINES LIMITED
(CIN: L30009GJ2003PLC043419)
Plot No.2234, Nr. Kranti Gate, GIDC Metoda,
Tal Lodhika Dist Rajkot 360021

We have examined the compliance of the conditions of Corporate Governance by MACPOWER CNC MACHINES LIMITED ('the Company') for the year ended on March 31, 2023, as stipulated under Regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of Regulation 46 and para C and D of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations").

The Compliance of the conditions of Corporate Governance is the responsibility of the Management of the Company.

Our responsibility is limited to examining the procedures and implementation thereof adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we are of the opinion that the Company has complied with the conditions of Corporate Governance as stipulated in the SEBI Listing Regulations for the year ended on March 31, 2023. **Except for the following one time non compliance /delayed compliance under Regulation 23(9) of SEBI (LODR) Regulations, 2015 related to Disclosures of Related Party Transactions for the half year ended on 31st March, 2022:**

Company has Submitted Disclosures of Related Party Transactions under Regulation 23(9) of SEBI (LODR) Regulations, 2015 on 17th June, 2022 and date of publication of financial result was 28th May, 2022 and accordingly submitted late by four (4) days and In respect thereto, NSE has levied fine of Rs. 20,000 + GST Total amount Rs. 23,600 as per SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/12 Dated January 22, 2020 (Referred to as SOP Circular) and Company has paid fine amount of Rs. 21,600/- after deducting TDS of Rs. 2000/- within the given time period

We further state that such compliance is neither an assurance as to the future viability of the Company nor of the efficiency or effectiveness with which the management has conducted the affairs of the Company.

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing.

To The Member of Macpower CNC Machines Limited**Opinion**

We have audited the accompanying standalone Ind AS Financial Statements of Macpower CNC Machines Limited ("the Company"), which comprises the Balance Sheet as at 31 March 2023, the statement of Profit & Loss (including statement of Other Comprehensive Income), the Cash Flow Statements and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information, (herein after referred to as "the standalone Ind AS Financial Statement")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2023, the Profit and other comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing, as specified under section 143(10) of the act. Our responsibilities under those Standards are further described in the 'Auditor's responsibilities for the audit of the standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the act and rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements for the financial year ended March 31, 2023. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	Response to Key Audit Matter
<p>Revenue recognition.</p> <p>As disclosed in note 2.2 Revenue in respect of sale of goods is recognized when control of the products being sold is transferred to our customer and measured at contracted price, after deduction of any trade discounts, and any taxes or duties collected on behalf of the Government such as goods and services tax, etc.</p> <p>The application of the revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>We assessed the Company's process to identify the impact of adoption of the revenue accounting standard.</p> <p>Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to implementation of the revenue accounting standard. • It is observed that in majority of the cases, transaction price is charged at ex-works price and revenue is booked at the time of dispatch of the goods. • The above method followed by the company is in line the provisions of Ind AS 115 - 'Revenue from contracts with customers' <p>Conclusion: We agree with the management's evaluation.</p>
<p>Contingent liabilities relating to taxation, litigations and claims (also refer Note 29)</p> <p>The contingent liabilities relate to ongoing litigations and claims with various authorities and third parties. These relate to direct tax, indirect tax, transfer pricing arrangements, claims, general legal proceedings, environmental issues and other eventualities arising in the regular course of business.</p> <p>The determination of contingent liability requires significant judgement by the Company because of the inherent complexity in estimating future costs. The contingent liabilities are subject to changes in the outcomes of litigations and claims and the positions taken by the Company. It involves significant judgement and estimation to determine the likelihood and timing of the cash outflows and interpretations of the legal aspects, tax legislations and judgements previously made by authorities.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Understanding the process followed by the Company for assessment and determination of the amount of contingent liabilities relating to taxation, litigations and claims. • Evaluating the design and implementation and testing operating effectiveness of key internal controls around the recognition and measurement of re-assessment of contingent liabilities. • Involving our tax professionals with specialised skills and knowledge to assist in the assessment of the value of significant contingent liabilities relating to taxation matter, on sample basis, in light of the nature of the exposures, applicable regulations and related correspondence with the authorities. • Inquiring the status in respect of significant contingent liabilities with the Company's internal tax and legal team, including challenging the assumptions and critical judgements made by the Company which impacted the computation of the provisions and inspecting the computation. • Assessing the assumptions used and estimates of outcome and financial effect, including considering judgement of the Company, supplemented by experience of similar decisions previously made by the authorities and, in some cases, relevant opinions given by the Company's advisors. • Testing data used to develop the estimate for completeness and accuracy. • Evaluating judgements made by the Company by comparing the estimates of prior year to the actual outcome. • Evaluating the Company's disclosures in the standalone financial statements in respect of provisions and contingent liabilities <p>Conclusion: We agree with the management's evaluation</p>

Information Other than Financial Statements and Auditor's Report Thereon

The company's board of directors and management is responsible for the preparation of the other information. The other information comprises the information included in Management discussion and analysis, Board's report including Annexure to board's report, business responsibility reports, corporate governance and shareholder's information, but doesn't include standalone financial statements and our auditor's report thereon.

Our opinion on standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statement, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statement or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Director's Responsibility for the Standalone Ind AS Financial Statement

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit/loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will

always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, based on our audit we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Cash Flows and the Standalone Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - (e) On the basis of the written representations received from the directors as on 31st March, 2023 and taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164(2) of the Act;
 - (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - A. The Company has disclosed the impact of pending litigations on its financial position in its financial statements Refer Note 29 to the standalone financial statements;
 - B. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - C. There have been no delays in transferring the amounts, required to be transferred to the Investor Education and Protection Fund by the Company.
 - D. (i) The Management of the Company has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

(ii) The Management of the Company has represented that, that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

(iii) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances; nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) above contain any material mis-statement.

- E. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.
- F. Proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 for maintaining books of account using accounting software which has a feature of recording audit trail (edit log) facility is applicable to the Company with effect from April 1, 2023, and accordingly, reporting under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 is not applicable for the financial year ended March 31, 2023.

3. With respect to the matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of limit laid down under section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under section 197 (16) which are required to be commented upon by us.

ANNEXURE(A) REFERRED TO IN PARAGRAPH 1 OF INDEPENDENT AUDITOR'S REPORT OF EVEN DATE TO THE MEMBERS OF MACPOWER CNC MACHINES LIMITED ON THE FINANCIAL STATEMENTS OF THE COMPANY FOR THE YEAR ENDED 31ST MARCH, 2023.

In terms of Companies (Auditor's Report) Order 2020, issued by the Central Government of India, in terms of section 143(11) of The Companies Act, 2013, we further report, on the matters specified in paragraph 3 and 4 of the said Order, that: -

- (i) (a) A The company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant & Equipments.
- (i) (a) B The company has maintained proper records showing full particulars of intangible assets.
- (i) (b) The Company has a program of verification to cover all the items of Property, Plant & Equipment which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain property, Plant & Equipment were physically verified by the **HR Manager** during the year on reasonable intervals. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
- (i) (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, the title deeds of immovable properties disclosed in the financial statements are held in the name of the company (Other than immovable properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee).
- (i) (d) The company has not revalued its Property, Plant & Equipment or Intangible assets or both during the year. Accordingly clause 3(i)(d) of the order is not applicable.
- (i) (e) According to the information and explanations given to us and on the basis of our examination of the records of the company, No proceedings have been initiated against the company for holding benami property under The Benami Transactions (Prohibition) Act, 1988 and rules made thereunder and the details have been appropriately disclosed in the financial statements.
- (ii) (a) According to the information and explanations given to us and on the basis of our examination of the records of the company, Company has divided & classified inventory into A, B & C category depending upon its value. A & B category consists of almost 80% of the total Inventory Value & the same have been physically verified during the year by the Store Manager at reasonable intervals. In our opinion, the coverage and procedure by the management is appropriate. During physical verification no material discrepancies noticed.

- (ii) (b) According to the information and explanations given to us and the records produced to us for our verification, the company has been sanctioned working capital limit in excess of five crore rupees, in aggregate from bank or financial institution on the basis of security of current assets and the quarterly returns filed by the company with such bank or financial institution are in agreement with books of account of the company, and no **material discrepancies** were noted. Accordingly clause 3(ii)(b) of the order is not applicable.
- (iii) The company has not made investments in, provided any guarantee or security granted any loans or advances in the nature of loans, secured or unsecured to companies, firms, LLPs, or any other parties, therefore reporting to sub clauses (iii)(a)/(b)/(c)/(d)/(e)/(f) is not applicable.
- (iii) (f) whether the Company has granted any loans or advances in the nature of loans either
(iv) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the company, The company has not given any loans or guarantees, made any investments within the meaning of sections 185 & 186 of The Companies Act, 2013.
- (v) In our opinion and according to the information and explanations given to us, the company has not accepted any deposits from the public in terms of Section 73 to 76 or any other relevant provisions of the Companies Act, 2013.
- (vi) In our opinion and according to the information & explanations given to us and on the basis of our examination of record, Company has maintained cost records as prescribe under section 148(1) of the Act for the notified products.
- (vii) a According to the information and explanations given to us and on the basis of our
- (vii) b According to the information and explanation given to us, no undisputed amounts payable in respect of aforesaid dues were outstanding as on 31 March 2023 for a period of more than six months from the date of become payable.
- (vii) c According to the information and explanations given to us, there are no material statutory dues of Provident Fund, Employee State Insurance and wealth Tax which have not been deposited with the appropriate authorities on account of any dispute. However, according to the information and explanation given to us, the following dues of the Gujarat Value Added Tax & Central Sales Tax which have not been deposited by the Company on account of disputes are as follows:

Name of the Statute	Nature of Dues	Amount (Rs in Lacs)	Period to which the amount relates	Forum where dispute is pending	Amount (in Lacs) paid under Protest
Gujarat Value Added Tax Act, 2003	VAT	3.27	2017-18	Deputy State Tax Commissioner of Appeals	0.36
Gujarat Value Added Tax Act, 2003	VAT	1.21	2016-17	Deputy State Tax Commissioner of Appeals	0.44
Central Sales Tax Act, 1956	CST	7.57	2016-17	Deputy State Tax Commissioner of Appeals	3.05

(viii) According to the information and explanations given to us and based on our examination of the records of the Company, the company has not surrendered or disclosed previously undisclosed transactions as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961). Accordingly, clause 3(viii) of the Order is not applicable to the Company.

(ix) (a) In our opinion and according to the information and explanations given to us, the company has not defaulted in repayment of any dues to any financial institution or bank or debenture holders.

(ix) (b) According to the information and explanations given to us and on the basis of our examination of the records of the company, The company has not been declared as a wilful defaulter by any bank or financial institution or other lender.

(ix) (c) According to the information and explanations given to us and on the basis of our examination of the records of the company, during the year company has not borrowed or is not using any term loans therefore question of its utilisation does not arise.

(ix) (d) According to the information and explanations given to us and on the basis of our examination of the records of the company, the funds raised on a short term basis have not been utilised for long term purposes.

(ix) (e) According to the information and explanations given to us and on the basis of our examination of the records of the company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

- (ix) (f) The company does not have any Subsidiaries, joint ventures or associate companies.
- (x)(a) The company has not made any initial public offer during the year.
- (x)(b) The company has not made any preferential allotment or private placement of shares/debentures during the year.
- (xi)(a) Based on examination of the books and records of the company and according to the information and explanation given to us, considering the principles of materiality outlined in the standard on auditing, we report that no fraud by the company or on the company has been noticed or reported during the course of the audit.
- (xi)(b) According to the information and explanations given to us and on the basis of our examination of the records of the company, No report under sub-section (12) of Section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules 2014 with the Central Government.
- (xi)(c) According to the information and explanations given to us and on the basis of our examination of the records of the company, No complaints have been received from the whistle-blower during the year by the Company.
- (xii) As company is not Nidhi Company, Reporting to clause (xii) (a)/(b)/(c) is not applicable.
- (xiii) According to information and explanation given to us and on the basis of books of accounts and other relevant records of the company, all transactions with the related parties are in compliance with section 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the notes to Financial Statements as required by applicable Ind As.
- (xiv) (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

- (xiv) (b) We have considered the internal audit reports of the Company issued for the period under audit.
- (xv) According to information and explanation given to us and on the basis of examination of books of accounts and other relevant records of the company, the company has not entered into any non-cash transactions with directors or persons connected with directors, during the year.
- (xvi) (a) The company is not required to be registered under section 45-IA of The Reserve Bank of India Act, 1934.
- (xvi) (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities without a valid Certificate of Registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act 1934.
- (xvi) (c) The Company is not a Core Investment Company (CIC) as defined under the Regulations by the Reserve Bank of India.
- (xvi) (d) Reporting to this clause is not applicable as company is not CIC.
- (xvii) The company has not incurred cash losses during the year or the immediately preceding Financial Year.
- (xviii) There has not been any resignation of the statutory auditors during the year.
- (xix) According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the company as and when they fall due.
- (xx) (a) According to information and explanation given to us and on the basis of examination, we state that there is no unspent amount as per section 135 at end of the year in respect of other than ongoing projects.

(xx) (b) As per the information and explanation given to us and on the basis of examination, there is no ongoing projects. Therefore reporting to this clause is not applicable.

(xxi) As the company is not subsidiary or holding company, reporting on qualifications or adverse remarks by the respective auditors in the Companies (Auditor's Report) Order (CARO) reports of the companies included in the consolidated financial statements is not required.

ANNEXURE - B

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Macpower CNC Machines Limited** as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls:

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility:

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on "Audit of Internal Financial Controls Over Financial Reporting" and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting:

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting:

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion:

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

Corporate Information :

Macpower CNC Machines Limited was incorporated in 2003. The Company is situated at Plot No. 2234, Near Kranti Gate, GIDC Metoda, Rajkot -360 021 Gujarat. The Company is engaged in the business of manufacturing and sale of CNC and VMC Machines.

1 Basis of Preparation and presentation

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards ("Ind AS") notified under section 133 of the Companies Act 2013, read together with the Companies (Indian Accounting Standards) Rules, 2015, as amended and presentation requirements of Division II of schedule III to the Companies Act, 2013 (as amended), on the historical cost basis except for certain financial instruments that are measured at fair values, as explained in the accounting policies below.

The financial statements are presented in INR (Rs.) (Indian Rupees) which is also Company's functional currency and all values are shown upto two decimal in lacs & value are rounded to the nearest thousand, except when otherwise indicated.

The Company has prepared the financial statements on the basis that it will continue to operate as a going concern.

2 Summary of significant accounting policies followed by the Company

2.1 Accounting Charges:

- (i) The Company follows the mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties.
- (ii) The Company maintains its accounts on accrual basis following historical cost convention, except for certain assets and liabilities that are measured at fair value in accordance with Ind AS.
- (iii) Estimates and assumptions used in the preparation of these financial statements and disclosures made therein are based upon Management's evaluation of the relevant facts and circumstances as on the date of the financial statements, which may differ from the actual results at a subsequent date.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

**Notes forming part of the Financial Statements:
For the year ended on March 31, 2023**

Key Estimates

The preparation of standalone financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the following notes:

A. Estimate of Tax

Recognition of provision of current tax and deferred tax refer- Note 2.4

B. Estimation of useful lives and residual value of Property, Plant and equipment and intangible assets

C. Lease

Measurement of Right of Use Asset and Lease liabilities refer-Note-2.11.

D. Long term Employee benefit plan

Estimation of Long term Employee benefit plan refer Note 2.8

E. Provision, Contingent Liabilities and Contingent Assets:

Estimating amount of provisions refer Note 2.13

2.2 Revenue Recognition:

- a Revenue from sale of goods is recognised when control of the machine being sold is transferred to the customer and when there are no longer any unfulfilled obligations. The Performance Obligations in the contracts are fulfilled at the time of dispatch, delivery or upon formal customer acceptance depending on customer terms.
- b Revenue is measured on the basis of contracted price, after deduction of any trade discounts, and any taxes or duties collected on behalf of the Government such as goods and services tax, etc. Revenue is only recognised to the extent that it is highly probable a significant reversal will not occur.
- c Income from services rendered is recognised based on agreements/arrangements with the customers as the service is performed and there are no unfulfilled obligations.
- d Revenue in respect of other income is recognised when no significant uncertainty as to its determination or realisation exists.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

2.3 Property, plant and equipment and Intangible Assets

Property, plant and equipment

- a Property, plant and equipment are stated at cost less accumulated depreciation / amortisation and impairment loss, if any, except freehold land which is carried at cost. The cost comprises its purchases price, borrowing cost and any cost directly attributable to the bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustment arising from exchange rate variations attributable to the assets. Subsequent expenditures related to an item of Fixed Assets are added to its book value only if they increases the future benefits from the existing asset beyond its previously assessed standard of performance.
- b Property, plant and equipments which are not ready for intended use as on the date of Balance Sheet are disclosed as “Capital work-in-progress”
- c Own construction or manufactured PPE is capitalised at cost including administrative and other general overhead expenses that are specifically attributable to construction or acquisition of PPE or bringing the PPE to working condition are allocated and capitalised as a part of the cost of the PPE.
- d All other expenses on Property, plant and equipment, including repair and maintenance expenditure and replacement expenditure of parts, are charged to Statement of Profit and Loss for the period during the which such expenses are incurred.
- e Gains or losses that arise on disposal or retirement of an asset are measured as the difference between net disposal proceeds and the carrying value of an asset and are recognised in the statement of profit and loss when the asset is derecognised.
- f Depreciation methods, estimated useful lives and residual value:
 The management of the company believes that the useful lives as given below best represent the useful lives of these assets based on internal assessment and supported by technical advice wherever necessary which is as prescribed under Part C of Schedule II of the Companies Act 2013.

Sr. No.	Assets Category	Useful Life (Years)
1	Building	30 Years
2	Computers	3 Years
3	Furniture & Fixtures	10 Years
4	Plant & Machinery	15 Years
5	Vehicle	8 Years

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

Intangible Assets

- a Intangible assets purchased are initially measured at cost. The cost of an intangible asset comprises its purchase price including duties and taxes and any costs directly attributable to making the asset ready for their intended use.
- b Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditure are recognised in standalone statement of profit or loss as incurred.
- c Subsequently, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any.
- d Amortization methods, estimated useful lives and residual value

The useful lives of intangible assets are assessed as either finite or infinite. Finite-life intangible assets are amortised on a straight-line basis over the period of their estimated useful lives. Estimated useful lives by major class of finite-life intangible assets are as follows:

Sr. No.	Assets Category	Useful Life (Years)
1	Computer software and mobile application	6 Years
2	Other Software	3 Years
3	Designs for Machinery	10 Years

2.4 Taxation

- a Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income Tax Act,1961.
- b Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the Company’s financial statements and the corresponding tax bases used in computation of taxable profit and quantified using the tax rates as per laws enacted or substantively enacted as on the Balance Sheet date.
- c Transaction or event which is recognised outside profit or loss, either in other comprehensive income or in equity, is recorded along with the tax as applicable.

2.5 Financial Instruments

(a) Other investments and financial assets

(i) Classification

The Company classifies its financial assets in the following measurement categories: those to be measured subsequently, at fair value (either through other comprehensive income, or through profit or loss), and those already measured, at amortised cost. The classification is done depending upon the Company’s business model for managing the financial assets and the contractual terms of the cash flows. For assets measured at fair value, gains and losses will be recorded in profit or loss.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:

For the year ended on March 31, 2023

(ii) Measurement

At initial recognition

At initial recognition, the Company measures a financial asset at its fair value.

Subsequent Measurement

A. All recognised financial assets are subsequently measured in their entirety either at amortised cost or at fair value as follows:

1. Investments in debt instruments that are designated as fair value through profit or loss (FVTPL) - at fair value. Debt instruments at FVTPL is a residual category for debt instruments, if any, and all changes are recognised in profit or loss.
2. Investments in debt instruments that meet the following conditions are subsequently measured at amortised cost (unless the same designated as fair value through profit or loss):
 - (i) The asset is held within a business model whose objective is to hold assets in order to collect contractual cash flows;
 - and
 - (ii) The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
3. Investment in debt instruments that meet the following conditions are subsequently measured at fair value through other comprehensive income [FVTOCI] (unless the same are designated as fair value through profit or loss)
 - (i) The asset is held within a business model whose objective is achieved both by collecting contractual cash flows and selling financial assets; and
 - (ii) The contractual terms of instrument give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.
4. Trade receivables, security deposits, cash and cash equivalents, employee and other advances – at amortised cost

(iii) Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk and if so, assess the need to provide for the same in the Statement of Profit and Loss.

(iv) Derecognition of financial assets

A financial asset is derecognised only when Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

**Notes forming part of the Financial Statements:
For the year ended on March 31, 2023**

(v) Income recognition

Interest Income

Interest income from fixed deposits is recognised using the effective interest rate method. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument but does not consider the expected credit losses.

(b) Financial Liability

(i) Classification as debt or Equity

Debt and equity instruments issued by the Company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangements and the definition of a financial liability and an equity instrument.

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities.

(ii) Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include borrowings, trade payables and other financial liabilities.

(iii) Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

a. Trade and other payable

These amounts represent obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. These payable are classified as 'current liabilities' if payments are due within one year or less otherwise they are presented as 'non-current liabilities'. Trade payables are subsequently measured at amortised cost using the effective interest method.

b. Derecognition

Liability is removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other gains/ (losses).

When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

2.6 Foreign Currency Transactions:

Items included in the financial statements are measured and presented in Indian rupee (INR), which is Company's functional and presentation currency.

a Initial Recognition:

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting current and the foreign currency at the date of the transactions.

b Conversion:

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non- monetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transactions. Non- monetary items, which are measured at fair value or others similar valuation denominated in a foreign currency, are translated using the exchange rate at the date when such value was determined.

c Exchange Differences:

The company accounts for exchange differences arising on translation/ settlement of foreign currency monetary are recognized as income or as expenses in the period in which they arise.

2.7 Inventories:

Inventories are valued after providing for obsolescence, as under:

Raw Materials, Work-In-Progress and Finished Goods are valued at Cost or Net Realizable Value whichever is lower. Waste and Scrap are valued at Net Realisable Value using FIFO method.

Cost of Inventories comprises cost of purchase, cost of conversion and other costs incurred in bringing the inventories to the present location and condition.

2.8 Employee Benefits:

A Short-term employee benefits:

- a** Employee benefits such as salaries, wages, short-term compensated absences, bonus, ex-gratia and performance-linked rewards falling due wholly within twelve months of rendering the service are classified as short-term employee benefits and are expensed in the period in which the employee renders the service.

B Long term employee benefits

- a** Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contributions payable to the provident fund scheme as an expenditure, when an employee renders the related services.
- b** The Company has defined benefit plans for its employees, viz., gratuity. The cost of providing benefits under this plans are determined on the basis of actuarial valuation at each year end. Actuarial valuation is carried out for the plan using the projected unit credit method. Actuarial gains and losses for defined benefit plans are recognised in full in the period in which they occurs in the statement of profit and loss.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:

For the year ended on March 31, 2023

During the year, company has not incurred any borrowing cost. However the policy for the same is as under:

- a** Borrowing cost includes interest and ancillary costs incurred in connection with the arrangement of borrowings.
- b** Borrowing costs directly attributable to the construction of an asset that necessarily take a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All of these borrowing costs are expensed in the period they are incurred.

2.10 Lease:

- a** Assets taken on lease by the Company in its capacity as lessee, where the company has substantially all the risks and rewards of ownership are classified as finance lease. Such a lease is capitalised at the inception of the lease at lower of the fair value or the present value of the minimum lease payments and a liability and the interest cost so as to obtain a constant periodic rate of interest on the outstanding liability of each year.
- b** Lease arrangement where the risks and rewards incidental to ownership of an asset substantially vest with the lessor, are recognised as operating leases. Lease rentals under operating leases are recognised in the statement of profit and loss on a straight line basis over the lease term.
- c** Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease. The Company's lease asset primarily consists of land and Building. The company assesses whether a contract contains a lease, at inception of contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:
 - (i) the contract involves the use of an identified asset
 - (ii) the Company has substantially all the economic benefits from use of the asset through the period of the lease and
 - (iii) the Company has the right to direct the use of the asset.

As a Lessee

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases), and lease contract for which the underlying asset is of low value (low-value assets). For these short-term, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

The right-of-use assets are initially recognised at cost, which comprises the initial measurement of the lease liability adjusted plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses, if any. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

The lease liability is initially measured at the present value of the future lease payments. The lease payments are discounted using the interest rate of cost of capital. The lease liability is subsequently remeasured by increasing the carrying amount to reflect interest on the lease liability, reducing the carrying amount to reflect the lease payments made.

In calculating the present value of lease payments, the company uses its incremental borrowing rate at the lease commencement date because the interest rate implicit in the lease is not readily determinable.

2.11 Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents includes cash on hand, balance with banks.

2.12 Earning Per Share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Earnings considered in ascertaining the Company's earnings per share is the net profit for the period. The weighted average number of equity shares outstanding during the period and all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares, that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of share outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.13 Provision, Contingent Liabilities and Contingent Assets:

- a Provision is recognised in the accounts when there is a present obligation as a result of past event(s) and it is probable that an outflow of resources will be required to settle the obligation and reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates reviewed at each reporting date and adjusted to reflect the current best estimate.
- b Contingent liabilities are disclosed unless the possibility of outflow of resources is remote. Contingent assets are not recognised in the financial statements.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements:
For the year ended on March 31, 2023

2.14 Statement of Cash Flows

Statement of Cash Flows is prepared segregating the cash flows into operating, investing and financing activities. Cash flow from operating activities is reported using indirect method, adjusting the profit before tax excluding exceptional items for the effects of:

(i) changes during the period in inventories and operating receivables and payables, transactions of a non-cash nature;

(ii) non-cash items such as depreciation, provisions, unrealised foreign currency gains and losses; and
(iii) all other items for which the cash effects are investing or financing cash flows.

2.15 Recent Accounting Developments

The amendments to standards that are issued, but not yet effective, up to the date of issuance of the Company's financial statements are disclosed below. The Company intends to adopt these standards, if applicable, as and when they become effective. The Ministry of Corporate Affairs (MCA) has notified certain amendments to Ind AS, through Companies (Indian Accounting Standards) Amendment Rules, 2022 on 31st March, 2023. These amendments maintain convergence with IFRS by incorporating amendments issued by International Accounting Standards Board (IASB) into Ind AS and has amended the following standards:

- i. Ind AS 1 - Presentation of Financial Statements
- ii. Ind AS 8 – Accounting Policies, Changes in accounting estimates & errors
- iii. Ind AS 12 – Income Taxes
- iv. Ind AS 101 - First-time adoption of Ind AS
- v. Ind AS 102 - Share Based Payment
- vi. Ind AS 103 – Business Combinations
- vii. Ind AS 107- Financial Instruments: Disclosures
- viii. Ind AS 109 – Financial Instruments
- ix. Ind AS 115 - Revenue from Contracts with Customers

These amendments shall come into force with effect from April 01, 2023.

The Company is assessing the potential effect of the amendments on its financial statements. The Company will adopt these amendments, if applicable, from applicability date

	Sensitivity Analysis		
	The sensitivity analysis have been determined based on reasonably possible changes of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant.		
	The sensitivity analysis presented above may not be representative of the actual change in the projected benefit obligation as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated.		
	Liabilities are very less sensitive due to change in mortality assumptions. Hence,sensitivities due to change in mortality are ignored.		
	Furthermore, in presenting the above sensitivity analysis, the present value of the projected benefit obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same method as applied in calculating the projected benefit obligation as recognised in the balance sheet. There was no change in the methods and assumptions used in preparing the sensitivity analysis from prior years.

B. Provident Fund

Retirement benefit in the form of provident fund is a defined contribution scheme. The company has no obligation, other than the contribution payable to the provident fund. The company recognizes contribution payable to the provident fund scheme as an expenditure, when an employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognized as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognized as an asset to the extent that the pre payment will lead to, for example, a reduction in future payment or a cash refund.

35 DISCLOSURE OF TRANSACTION WITH RELATED PARTIES AS REQUIRED BY THE INDIAN ACCOUNTING STANDARD-24 (Cont.)

All Related Party Transactions entered during the year were in ordinary course of the business and on arm's length basis and amount showing inclusive of tax. Outstanding balances at the year-end are unsecured and settlement occurs in cash.

There have been no guarantees provided or received for any related party receivables or payables. For the year ended 31st March, 2023, the Group has not recorded any impairment of receivables relating to amounts owed by related parties (2021-22: `Nil). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

36 FINANCIAL RISK MANAGEMENT

Board of Directors oversees Risk Management Framework and monitors Company's risk management policies. The risk management policies are established to ensure timely identification and evaluation of risks, setting acceptable risk thresholds, identifying and mapping controls against these risks, monitor the risks and their limits, improve risk awareness and transparency. Risk management policies and systems are reviewed regularly to reflect changes in the market conditions and the Company's activities to provide reliable information to the Management and the Board to evaluate the adequacy of the risk management framework in relation to the risk faced by the Company.

36 FINANCIAL RISK MANAGEMENT (Cont.)

Fair Value Hierarchy: -

The table below analysis financial instruments at fair value, by valuation method. The different levels have been identified as follows:

Level 1: - Quoted prices in active markets for identified assets or liabilities.

Level 2: - Inputs other than quoted prices included with level 1 that are observable for the assets or liability, other directly (i.e.as prices) or indirectly (i.e. derived from prices.)

Level 3: - Inputs for the assets or liabilities that are not based on observable market data (underrated inputs)

(Rs. in lakhs)

Financials	Level - 1	Level - 2	Level - 3
Investment in Mutual Fund (2023)	500.00	-	-
Investment in Mutual Fund (2022)	465.00	-	-

The risk management policies aims to mitigate the following risks arising from the financial instruments:

- 1 Market Risk
- 2 Credit Risk
- 3 Liquidity Risk

1 Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in the market prices. The Company is exposed in the ordinary course of its business to risks related to changes in foreign currency exchange rates, commodity prices and interest rates.

The Company seeks to minimize the effects of these risks by using financial instruments to hedge risk exposures. The use of financial derivatives is governed by the Company's policies approved by the Board of Directors, which provide written principles on foreign exchange risk, interest rate risk, credit risk, the use of financial derivatives and non-derivative financial instruments, and the investment of excess liquidity. Compliance with policies and exposure limits is reviewed by the Management and the internal auditors on a continuous basis. The Company does not enter into or trade financial instruments, including derivatives for speculative purposes.

2 Credit Risk

Credit risk refers to the risk that a counterparty will default on its contractual obligations resulting in financial loss to the Company. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. Company's credit risk arises principally from the trade receivables, loans, investments in debt securities, cash & cash equivalents, derivatives and financial guarantees. Company has a policy to get the collateral, where appropriate, as a means of mitigating the risk of financial loss from defaults.

Macpower CNC Machines Ltd.
CIN: L30009GJ2003PLC043419

Notes forming part of the Financial Statements

36 FINANCIAL RISK MANAGEMENT (Cont.)

a) Trade Receivables

Customer credit risk is managed centrally by the Company and subject to established policy, procedures and control relating to customer credit risk management. Credit quality of a customer is assessed based on an extensive credit rating scorecard and individual credit limits defined in accordance with the assessment. Trade receivables consist of a large number of customers spread across diverse industries and geographical areas with no significant concentration of credit risk. The outstanding trade receivables are regularly monitored and appropriate action is taken for collection of overdue receivables. To mitigate credit risk from trade receivables, the company has adopted a policy of despatching machines only on receiving full amount unless to Government department or dealing with creditworthy parties exceptionally. The history of trade receivables shows a negligible allowance for bad and doubtful debts.

During the year company has identified disputed trade receivable. However company is considering it good and expecting full recovery of amount considering past transactions experience of customer with the company.

b) Loans and investment in debt securities

The Company’s centralized treasury function manages the financial risks relating to the business. The treasury function focuses on capital protection, liquidity and yield maximization. Investments of surplus funds are made only in approved counterparties within credit limits assigned for each of the counterparty. Counterparty credit limits are reviewed and approved by the Company. The limits are set to minimize the concentration of risks and therefore mitigate the financial loss through counterparty’s potential failure to make payments.

c) Cash and cash equivalents

Credit risks from balances with banks and financial institutions are managed in accordance with the Company policy.

3 Liquidity Risk

Liquidity risk refers to the risk of financial distress or extraordinary high financing costs arising due to shortage of liquid funds in a situation where business conditions unexpectedly deteriorate and requiring financing. The Company requires funds both for short term operational needs as well as for long term capital expenditure growth projects. The Company generates sufficient cash flow for operations, The Company has established an appropriate liquidity risk management framework for the management of the Company’s short, medium and long-term funding and liquidity management requirements. The Company manages liquidity risk by maintaining adequate reserves, banking facilities and reserve borrowing facilities, by continuously monitoring forecast and actual cash flows, and by matching the maturity profiles of financial assets and liabilities.

Capital management

For the purpose of the Company’s capital management, capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders. The primary objective of the Company’s capital management is to maximize the shareholder value.

The Company monitors its capital using gearing ratio. The funding requirements are met largely through internal accruals, income generated from its investments.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March 2022 and 31 March 2021.

36 FINANCIAL RISK MANAGEMENT (Cont.)

Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.
