Subject: - News regarding Ban on import of 101 defence items.

Dear sir/ Madam

This is With reference to the recent developments take place with respect to ban imposed on import of 101 defence items by government of India. We welcome this impressive and motivating step towards making India self-reliant in defence sector.

Pursuant to this, we would like to reiterate that, in machine tools industry we, Macpower CNC Machines Limited is amongst those few key Indian players who supplying its machines to defence sector on a large scale.

Though we supplying our machines to many sectors but as mentioned earlier as single sector, our machining supplying range to defence sector is largest amongst others and we are proud of that.

This welcome move of the government will surely boost the indigenous suppliers like us and enable us to taking forward our ongoing initiative of **Aatmanirbhar Bharat**.
